JUNE 30, 2018

9 A.M. to 3 P.M.

Starlight, Wayne County, PA

.....

**The event is FREE
and open to the public.**

**Bring the family to learn more
about the incredible diversity
of the Upper Delaware Region.**

- View the collected specimens and talk to the experts
- Learn to take nature photos from a professional photographer
- Take walks with scientists to learn about native plants, bugs, and mushrooms
- Learn how to draw nature
- Enjoy an original performance of "Trees" by NACL Theater
- **PLUS Special Friday night program at 8 pm** bat acoustic ID and bug light tent demos

At a BioBlitz, biologists and volunteers gather to collect, identify, and catalogue every living thing on the property in a 24-hour period. The goal is to introduce kids to scientists working in the field.

9 Teams will focus on particular categories of life, including:

- Aquatic Insects
- Birds
- Fish
- Mammals
- Mosses and Lichens
- Mushrooms
- Plants, Grasses, and Trees
- Reptiles and Amphibians
- Terrestrial Bugs

The BioBlitz will be held at the Gales Property owned by the Norcross Wildlife Foundation and located in the far Northeastern corner of Wayne County at the confluence of the East and West branches of the Delaware River.
